Tony Robbins is an entrepreneur, bestselling author, philanthropist, and the nation’s #1 Life and Business Strategist. A recognized authority on the psychology of leadership, negotiations and organizational turnaround, he has served as an advisor to leaders around the world for more than 38 years.

Author of five internationally bestselling books, including the recent New York Times #1 bestseller MONEY: MASTER THE GAME, Mr. Robbins has empowered more than 50 million people from 100 countries through his audio, video and life training programs. He created the #1 personal and professional development program of all time, and more than 4 million people have attended his live seminars.

Mr. Robbins is the chairman of a holding company comprised of more than a dozen privately held businesses with combined sales exceeding $5 billion a year. He has been honored by Accenture as one of the “Top 50 Business Intellectuals in the World,” by Harvard Business Press as one of the “Top 200 Business Gurus,” and by American Express as one of the “Top Six Business Leaders in the World” to coach its entrepreneurial clients. As a philanthropist, Mr. Robbins feeds more than 2 million people per year in 58 countries. He has also initiated programs in more than 1,500 schools, 1,350 prison and correctional facilities, and 2,000 service organizations and shelters. He provides fresh water to 100,000 people a day in India in order to fight the number-one killer of children in that country—water-borne diseases. In 2015, he raised the stakes: In order to honor those who helped his family during tough times, he personally provided 60 million meals to people in the USA, and matched funds to feed 100 million in 2015 alone through his partnership with Feeding America.
