THE CLEANSE & MEAL PLAN

Restore your body's natural vitality, one bite at a time! The cleanse and meal program is an integral part of your event - participation is needed to get the full value of the event.

A cleanse unlike any other, the detox and meal program demonstrates the culinary genius of Tony's top-nutritionists. You'll enjoy health bursting with flavor, and discover the healing power of raw foods, vitamin-rich smoothies and nutrient-packed vegan cuisine. Simultaneously, your body will benefit from detoxification of your system and high-value nutrients to re-build strength and vitality. In just 7 days, massively change your physiology and refocus your body on the three mandates for life:

1. Stop the poisoning
2. Cleanse and detoxify
3. Give your body what it needs - nutrients, rest, energy and oxygen

Generally, any person in good health should be able to complete the Cleansing Program. If for medical reasons you cannot cleanse (raw food juices, wheat grass, and essential oils) or participate in the Cleansing Program, we can suggest soups and raw foods from the regular resort menu. **You must purchase your Meal Plan through Robbins Research International, Inc. by May 7, 2019.**
